

Welcome to.....

Imagine a place where you can experience genuine hospitality as you are warmly greeted upon your arrival. Imagine a place where families are embraced and each individual person is sincerely appreciated and valued. Imagine a place of worship that is redefined and you are afforded an opportunity to experience a significant encounter with Jesus Christ. Imagine a place where there are great opportunities for your personal spiritual growth and development with other believers who will support, encourage and hold you accountable towards fulfilling your God-given purpose. Imagine if this intimate place was REAL!

Kingdom of God Ministries International is a place where Christian discipleship is our primary focus. We provide training, encouragement, support, and accountability to assist persons in understanding the difference between Church membership, and genuine Christian discipleship.

Do you desire to make a difference with your life, and in the lives of others on behalf of Jesus Christ? Are you interested in opportunities for personal spiritual growth and development, as well as offering your time, talents and treasures to serve within the life of the Lord's church?

With great enthusiasm, we extend God's invitation to you, to come, to grow, and to bear fruit at Kingdom of God Ministries International. Pastor Fred Downing and Apostle W. Michael Turner, Jr.
