

Tree House- Children's Ministry

Proverbs 20:11 (NIV)

Even a child is known by his actions, by whether his conduct is pure and right.

The Branches Children's Message Team was established to offer "mini sermons" specifically targeted for children. These lessons provide biblical insights, which will assist them in making wise decisions in a manner that pleases God. The benefit of these teachings are reflected daily, in how children are able to govern themselves in a Christ-like manner at home, at school, and in their communities. The children's messages often coincide with the pastor's sermons. There are other opportunities when messages are prepared to address special events and/or issues that children may encounter as they seek to do what is right among their peers and in contrast to media that often communicates a different message. We offer messages that combine both Scripture and practical illustrations, which help children to establish a solid Christian foundation and will assist them in discovering their personal need to accept Jesus Christ as their Lord and Savior.
