

## Hospitality Ministry

The Hospitality Ministry is committed towards providing a warm and genuine environment during worship and fellowship opportunities, that will afford each visitor, friend, and member of The Kingdom of God Ministries International to experience the intimacy of Jesus Christ in a meaningful way.

Sincere hospitality is paramount within the life of the church and our ministry of hospitality includes every member of the congregation. However, the Hospitality Team strive to insure that everyone knows that they are welcomed and appreciated by the following objectives:

- \* Greeting everyone with a smile
- \* Possessing a genuine care and concern for visitors and members
- \* Preparing refreshments for fellowship
- \* Conducting follow-ups with visitors
- \* Sending cards and flowers to the sick and shut-in
- \* Coordinating special events that require hospitality

In an effort to be as effective and efficient as possible, new team members are needed and welcomed!
