

Worship Ministry

The Worship Ministry enhances The Kingdom of God Ministries International's ability to glorify our Lord and Savior through the worship experience. The ministry provides and supports the needs of the pastoral staff in their endeavor to create celebrative worship.

Current components include: Acolyte Service and Communion Stewards.

Acolyte Service – Youth representatives help prepare the sanctuary for worship through a candle light service. They also assist the pastoral staff, as requested, in other areas of the worship service.

Communion Stewards – On the first Sunday of each month, the Communion Stewards prepare the Lord's Table and insure that the elements are in place at the beginning of the worship service. The Communion Stewards are available to assist the pastoral staff as they administer the Sacrament of Holy Communion.

We invite all who are willing to serve, to join the worship ministry.

Youth ages 10–13 may serve as an acolyte. If interested please contact Donna Beard or Tuwanna Le'Mon.

For communion stewards please contact either Donna Beard or Lenora Woods
